

VALTEC

Super Speed⁺ 10 Gbps

Feature

- Bridge PCI Express to USB 3.1 with type C and type A connectors
- Support Windows 7, Windows 8, Windows 8.1 and Windows 10
- Complaint with USB 3.1 specification Gen 2, 10Gbps maximum
- Support two USB 3.1 ports (1 x Type A & 1 x Type C)
- Support PCI Express Gen 3.0 single-lane x1
- Complaint with xHCI specification Rev. 1.1
- Support power output type C +5VDC/ 3A and type A +5VDC/ 900mA maximum
- Fully support data transfer rate 10G/5G/480M/12M/1.5Mbps
- Compliant to standard and low-profile bracket design

Specification

Model Name	HPU-320AS
Electronic Specification	
Max Data Transfer Rate	10 Gbps
System Interface	PCI Express 3.0 x 1
External Port	2 x USB 3.1 ports (1 x type A & 1 x type C)
Power Input	SATA power (standard) / 4-pin power Molex (optional)
Output Voltage Per Port	DC+5V
Output Current Per Port	type C: Max. 3A ; type A: Max. 900mA
System Environment	operating temperature: 0°C ~40°C
Certification	FCC, CE
Operating System	
OS	Windows 7 32/64, Windows 8.X 32/64, Windows 10
Accessories	
Driver CD	12 cm
